

VAIGA CONSULTANCY SERVICES (P) LTD was incorporated in the year 2011, as a consulting company, in the state of Kerala, India which is professionally managed by a team of professionals. Our expertise lies in offering highly reliable consultancy solutions involving Internal Audits, System Audits, Indirect Tax, Direct Tax, Company Laws, Fema, RBI Regulations, and Accounting and Book Keeping Services etc. Our team of management and professionals assist clients in every possible manner to solve all sorts of business problems.

VAIGA deals and caters to a diversified, multi-national portfolio of clients that includes privately owned, publicly listed and public sector companies. The company has grown in scale and diversified over the years and currently offers services in INDIA, QATAR and now in UAE also.

Further more, we also deal in services at anywhere in INDIA, QATAR and UAE involving Company/ Business Registrations, Advice on Joint Ventures, LLP/LLC/WLL Registrations, Import/ Export Code, International Taxation, Management Advisory and due diligence services, etc..

Throughout the years, we have maintained a motivated workforce, as well as client retention. high integrity, dedication, sincerity, quality of service and professionalism. Today, we are successfully handling the service solutions that assist us in providing complete guidance to customers at every individual stage as desired by them. As a result, we are able to achieve high levels of satisfaction.

Our main focus is to create synergies by means of combining various business values into high-value-added services offered to the clients. This helps us in strengthening our clients' trust, prospects, and growth. Moreover, our business values encompass factors like confident leadership, Professional Ethics, Quality Service and Healthy Client Relationships.

All our partners are well-versed in services such as auditing, costing, financial analysis, tax planning, project financing, and SOX Advisory services and various other advisory services.

Here, we provide management consultancy services to clients at most affordable rates. We also keep track of a motivated workforce, client retention, high integrity, dedication, sincerity, quality of service and professionalism while delivering the services.

Once you have entrusted a task to your audit and business consultant, you would like to have the comfort and confidence of knowing that the assignment will be carried out in the most professional, timely manner in a cost-effective manner. And, ideally you would want this level of competence throughout the business cycle – from the start to closure of the assignment and beyond.
